

**INTERNATIONAL ASSOCIATION
OF INSURANCE RECEIVERS**
PROMOTING PROFESSIONALISM AND ETHICS

IAIR MISSION STATEMENT

To establish a professional organization comprised of individuals who provide services associated with the affairs of insurers that are in receivership or otherwise financially troubled and in need of restructuring;

To develop educational and training programs to enhance the qualifications of professionals working in the field of insurance company receiverships and restructurings and to provide a forum for discussion of ideas, experiences and subjects of common interest to them;

To establish ethical and professional standards for professionals retained to conduct or advise in the affairs of insurers that are in receivership or otherwise financially troubled and in need of restructuring;
and

To recognize, through accreditation, the attainment by its members of expertise and proficiency in such pursuits.
